To our Valued Customers:

Re: Fuel Levy Rate Decrease

In the light of the recent reduction in our fuel costs we have again reviewed our fuel levy.

We are happy that we can pass on this rate reduction and hope that it helps to reduce some of the cost the cost pressures that we are all faced with.

This rate remains one of the lowest in the industry. We will continue to monitor the situation, and hope that we can continue to reduce your fuel levy in the near future.

We have reviewed our fuel levy:

- From 1st of September 2022, it will reduce to 16%

Please feel free to discuss these changes or any freight needs you might have with either our Adelaide Manager, John Lightfoot on 0408895990 or myself on the contact number below.

As always, we appreciate your business and we look forward to our continuing relationship.

Regards,

James Lochert
Transport Operations Director
