Sprint Rate Review

To our valued customers,

You have spoken and we have listened! We have recently completed a review of our rate card, item breaks and zones effective 1st March 2025.

What this means for you is a more user friendly and competitive rate structure allowing us to support your business with express freight services.

Key stand outs:

- Lower costs for multi-item shipments including tyres and cartons
- More competitive pricing on pallets and cartons, particularly for the Eyre Peninsula
- Zones re-aligned with linehaul lanes

We believe an evolving business needs to evaluate customer needs regularly to ensure our partnerships continue to grow.

Changes to how we operate can affect savings which can be passed on to you as our customer.

If you have any inquiries or would like to discuss these changes further, please do not hesitate to contact either our Adelaide Depot Manager, Mr John Lightfoot on 0408 895 990, or myself on the contact number provided below.

We genuinely appreciate your business and value the ongoing partnership we have established with you. As always, we remain committed to delivering exceptional service and are dedicated to meeting your needs.

Kind Regards, Eddie Scholz
