

Dear Loxton Customer,

We would like to share some very important and exciting information with you.

From Wednesday the 1st of July Sprint Freight and Logistics (a Division of Lochert Bros Pty. Ltd.) Will be taking back over the distribution and collection of our Freight in the Loxton area.

Our long time agent Ken McKenzie will be stepping back from this role at this time, so that he can move on to other things that life has to offer.

This will not reduce or change the service levels that you are used to now as we continue to provide the best possible express freight services with next business day delivery throughout SA.

Operationally we will continue to deliver your freight serviced from our Berri Depot each morning and collect your freight each afternoon.

There will be a new phone number for the guys making your deliveries which will be 0436653257 this number will only be manned whilst pick ups or deliveries are being made. At any other time or to make a booking these can be made through our Cargo Office platform online or by calling the Ramco office on 85410200. For any special requests you can speak to our Transport manager at Ramco Mal Virgo on 0419410221.

Ken would like to thank you all for your patronage over the years and we would like to thank Ken the great service that he has given both us and the Loxton district community.

We look forward to continuing the great service that Ken has supplied to you over the years, If you have any questions or if there is any way that we can improve our offering to you please feel free to let me know.

Regards

James Lochert.
