Sprint Rate Review and Terms 14 days – 1st January 2026

To our valued customers,

We'd like to thank you for your continued support and the trust you place in our team.

Following a recent review of our pricing structure, we would like to advise you of some upcoming changes to our rate card, effective **1st January 2026**. We have maintained our current rates since **September 2023**, however, like many businesses, we have experienced significant increases in our operational costs over this period. These include significant rising expenses in labour, property rentals, energy, insurance, equipment, and maintenance.

We have made every effort to absorb these increases where possible, and our goal throughout this process has been to ensure any adjustments are fair, minimal, and aligned with the value we provide.

Zone Review and Rate Adjustments

As part of this review, we've also reassessed our delivery zones to better reflect the true costs of servicing each area. As a result, you will see a more consistent and competitive pricing structure across our network. The changes are as follows:

- **No change:** Metro Adelaide, Upper Yorke Peninsula, Port Lincoln and Eyre Peninsula, Far West, Broken Hill, Port Pirie.
- **2% increase:** Adelaide Hills, Barossa, Gawler, Fleurieu Peninsula, Murray Bridge.
- **4% increase:** Riverland, Lower Yorke Peninsula, Lower/Centre Mid North, Upper Spencer Gulf, and outer areas of Barossa, Gawler, Murray Bridge & Riverland.
- **6% increase:** Upper/Far Mid North, South East (Upper and Lower), Sunraysia/Mildura.

Updated Terms of Payment

Please also note that from **1st January 2025**, our payment terms will change to **14 days from the date of invoice**. This change is outlined in our updated Terms & Conditions, specifically in sections 10 and 15.3.

10.1 Terms of trade are strictly net 14 days from the date of invoice, **10.2** unless otherwise agreed in writing by an authorised representative of the Carrier.

We believe that ongoing review and improvement are essential to maintaining strong and mutually beneficial partnerships. These updates are designed to ensure we can continue to support your business with reliable, premium freight services, while adapting to the evolving cost landscape.

If you have any questions or would like to discuss these changes in more detail, please don't hesitate to contact me directly on **0412 810 680**.

We truly value your business and appreciate the trust you place in us. We remain committed to supporting your operations with exceptional service and look forward to continuing our successful partnership.

Kind Regards,
Eddie Scholz
Business Manager
